WINE MENU

At Ostra, we support responsible alcohol consumption. Management reserves the right to refuse service in accordance with the Liquor Act. No alcohol will be served to persons under the age of 18.

Welcome to Ostra:

(A Symphony of Freshness and Flavour)

At Ostra, dining is more than nourishment—it is a lifestyle inspired by the vibrant coasts and villages of the Mediterranean. We believe in food that is fresh, honest, and locally sourced, crafted to bring people together around the table.

Our menu is a celebration of variety: from the ocean's finest catches to farm-fresh vegetables, wholesome grains, grilled meats, and sun-ripened produce, every plate reflects the balance and abundance of Mediterranean living.

Prepared with respect for the seasons and the land, each dish is a testament to simplicity, freshness, and flavour.

Our wine list has been carefully curated with this philosophy in mind. Every bottle has been chosen not only for its ability to complement seafood, but also to pair beautifully with the wider variety of dishes we serve.

From crisp whites that highlight the brininess of oysters, to vibrant rosés that enhance summer salads, to elegant reds that bring depth to grilled lamb or roasted vegetables—our selections are designed to adapt to the season and the appetite of the diner.

At Ostra, we invite you to enjoy food and wine in harmony with the earth and the sea. Celebrate the joy of fresh, seasonal dining, where every sip and every bite connects you to the simple pleasures of Mediterranean life.
